Many of the fees listed in the Master Fee Schedule are applied on an hourly basis and are structured to recover the full cost of service for each activity type. The City will apply the following hourly rate against recorded time to determine the fee amount owed by each applicant. Hourly rates from other departments may also apply if staff from those other departments perform work on a specific application or request for service. Additionally, the City will pass-through to the applicant any discrete costs incurred from the use of external service providers if required to process the specific application. The City may impose a contract administration fee of 15% on the value of contracted services.

For services requested of City staff which have no fee listed in this Master Fee Schedule, the City Manager or the City Manager's designee shall determine the appropriate fee based on the following hourly rate for staff time involved in the service or activity.
