PERMIT CONDITIONS

I, the undersigned applicant, have reviewed these Permit Conditions and agree to the following:

1. The applicant agrees that City of Sierra Madre, its employees, agents and officials shall, to the fullest extent permitted by law, be fully protected from any loss, injury, damage, claim, lawsuit, expense, attorneys' fees, litigation expenses, court costs or any other costs arising out of or in any way related to the issuance of this encroachment permit, or the activities conducted pursuant to this approval. Accordingly, to the fullest extent permitted by law, the applicant shall defend, indemnify and hold harmless City of Sierra Madre, its employees, agents and officials, from and against any liability, claims, suits, actions, arbitration proceedings, regulatory proceedings, losses, expenses or costs of any kind, whether actual, alleged or threatened, including, but not limited to, actual attorneys' fees, litigation expenses and court costs of any kind without restriction or limitation, incurred in relation to, as a consequence of, arising out of or in any way attributable to, actually, allegedly or impliedly, in whole or in part, the issuance of this approval, or the activities conducted pursuant to this approval. Applicant shall pay such obligations as they are incurred by the City of Sierra Madre, its employees, agents and officials, and in the event of any claim or lawsuit, shall submit a deposit in such amount as the City reasonably determines necessary to protect the City from exposure to fees, costs or liability with respect to such claim or lawsuit.

2. The applicant acknowledges the City's ownership of the encroachment area as depicted in the site plan. The applicant shall not encroach into any area outside of the permitted area as depicted on the approved plan. The applicant shall not install any permanent fixtures or equipment upon City property, except as expressly depicted and identified on the approved site plan.

3. This permit is valid for one year from the date of issuance. In its sole and absolute discretion, the City may interrupt or terminate this permit at any time. The City, acting through the director of public works, may prohibit the operation of sidewalk dining at any time due to anticipated or actual problems, conflicts or emergencies. Such problems and conflicts may arise from but are not limited to, scheduled festivals and similar events, or parades or marches, or repairs to the street and/or sidewalk, or from demonstrations or emergencies occurring in the area. To the extent possible, the permittee shall be given prior written notice of any time period during which the operation of the sidewalk dining will be prohibited by the City.

4. Insurance requirements.

a. During the term of this permit, applicant shall carry, maintain, and keep in full force and effect insurance against claims for death or injuries to persons or damages to property in the following amounts:

i. General liability insurance not less than one million dollars per occurrence for harm to both person and property.

ii. Workers compensation in an amount equal to state statutory requirements.

iii. Employers liability insurance not less than one million dollars per occurrence.

b. At all times during the term of this permit, Applicant shall maintain on file with City's Risk Manager a certificate or certificates of insurance showing that the required policies are in effect in the required amounts and naming the City and its officers, employees, agents and volunteers as additional insureds.

c. All of the policies required herein shall contain an endorsement providing that the policies cannot be canceled or reduced except on thirty days' prior written notice to City. The applicant agrees to require its insurer to modify the certificates of insurance to delete any exculpatory wording stating that failure of the insurer to mail written notice of cancellation imposes no obligation, and to delete the word "endeavor" with regard to any notice provisions.

d. The insurance provided by the applicant shall be primary to any coverage available to City. Any insurance or self-insurance maintained by City and/or its officers, employees, agents or volunteers, shall be in excess of applicant's insurance and shall not contribute to it.

e. All insurance coverage provided pursuant to this permit shall not prohibit applicant, and applicant's employees, or agents, from waiving the right of subrogation prior to a loss. Applicant hereby waives all rights of subrogation against the City.

f. Procurement of insurance by applicant shall not be construed as a limitation of applicant's liability or as full performance of applicant's duties to indemnify, hold harmless and defend.

g. The insurance carrier must be placed with a company or companies licensed to do business in California.

h. The applicant shall be responsible for timely reimbursement of any deductible amount for any claim or suit which may be presented.

5. At all times during the term of this permit, the applicant shall possess a valid city business license.

6. Objects placed on the sidewalk or in the roadway must not interfere with pedestrian or vehicular safety, visibility of pedestrians from the roadway or otherwise result in traffic safety hazards. Objects on the sidewalk or roadway must be placed as depicted on the approved plan or as otherwise approved in writing by the Director of Public Works.

7. Approval of this permit pursuant to 12.12.030 does not constitute an approval or issuance of a permit under any other provision of the Municipal Code or applicable local, state or federal law.

8. This permit for work in the public right of way shall be granted solely for the purpose specified herein. Any changes, modifications or revisions to the approved use shall be subject to prior approval by director of public works.

9. This permit shall not become effective until all applicable conditions of approval for the permit have been met. All conditions of approval shall be observed throughout the duration of the permit.

10.) Traffic control shall be per the most recent edition of the Work Area Traffic Control Handbook (Watch Manual) as promulgated by the American Public Works Association and published by BNi.

11.) All trench excavation within public right-of-way shall meet the requirements of the state Division of Occupational Safety and Health (DOSH) Any trench or excavation at a depth of 5 feet or greater shall require a permit from DOSH. The nearest DOSH district office is located at 750 Royal Oaks Drive, Ste. 104, Monrovia, 91016 (626) 256-7913 fax (626) 359-4291

12.) Trenches shall not be left open after working hours unless securely barricaded or protected by trench plates.

13.) Obstructions to traffic left in the public right-of-way overnight such as (but not limited to) construction materials, construction equipment, shall be protected by reflectorized barricades.

14.) Protection of the public from hazards resulting from activities under this permit shall be the responsibility of the applicant. The City reserves the right to stop any work observed by the City to be creating a hazard to the public.

15.) All activity under this permit shall be subject to the provisions and requirements of the Sierra Madre Municipal Code.

16.) No permit shall be issued prior to full payment of permit fees and a Public Works pre-construction inspection. No demolition or removals shall be performed prior to permit issuance.

17.) Concrete shall not be poured prior to Public Works' intermediate inspection and approval. Concrete forms shall be reviewed at intermediate inspection.

18.) Inspections shall be obtained by contacting Public Works at 626.355.7135 x811 a minimum of 24 hours prior to the requested time of inspection. Any work done without inspections will be subject to removal and reconstruction under proper inspection procedures. Inspection shall not be made on Saturdays, Sundays or Holidays.

19.) Additional work not listed on the face of this permit shall not be covered by this permit.

20.) Additional Requirements: _____
