

Sierra Madre Fire Department Paramedic Subscription Program

Cost: \$62
As of July 1, 2016

The Sierra Madre Paramedic Subscription Program is an official program offered by the City of Sierra Madre to offset the cost of emergency medical responses. This annual membership program is available to residents of Sierra Madre and is designed as an alternative to paying higher direct fees for paramedic and ambulance services. One call for Emergency Paramedic services can cost in excess of \$1,000 and many insurance companies do not cover the full cost of these services. As a member of the Paramedic Subscription Program, your subscription will perform similar to a secondary insurance plan, with no additional out-of-pocket cost to you.

Effective July 1, 2016 a \$273 Dispatch Fee will apply to all **non-transport** EMS calls. This fee will only apply to medical incidents where a patient is **not** transported to the hospital, and will not affect other 911 calls. Members of the Sierra Madre Fire Department Paramedic Subscription Program are exempt from all EMS related charges, including this EMS Dispatch Fee, after insurance billing.
