## COMMISSION/COMMITTEE

COMMISSION/BOARD/COMMITTEE FOR WHICH YOU ARE APPLYING  
 Community Service Commission

Why are you interested in serving as a member of this commission / board / committee?

My wife and I moved to Sierra Madre over ten years ago before our first child was born. We wanted to start a family in a community that we could invest our time and resources over a long period.

Since then - and two kids later - the city of Sierra Madre has been a vital part of our family's a sense of well-being and community outlook. Our kids attend the public elementary school and we visit many friendly events hosted in the neighborhood parks.

I am interested in serving the community because it has fostered a positive neighborhood experience for me and my family.

What specific attitudes, skills, and expertise do you think you have to enhance the work of the commission / board / committee?

As a community committee member, I can bring a level of passion and enthusiasm to the work involved, because I want to give back to the city and help it thrive. I enjoy connecting with people to make change happen: seeing a need, creating a plan and pulling people and resources together to implement.

A recent example is that I am currently serving as a Block Captain in my neighborhood. We saw a need to keep our streets safe and build family networks. I volunteered and started meetings.
