V. PUBLIC HEARING

1. [CONDITIONAL USE PERMIT 16-02 \(CUP 16-02\)](#)
14 W. Sierra Madre Blvd.
Applicant: Dr. Eric To

The Planning Commission will conduct a public hearing to consider a request for a conditional use permit to allow the establishment of an optometrist office in an existing 1,400-square-foot ground floor tenant space at 14 W. Sierra Madre Blvd. Pursuant to Municipal Code Section 17.36.020.C, medical offices in the Commercial Zone require approval of a conditional use permit.

2. [MUNICIPAL CODE TEXT AMENDMENT 16-06 \(MCTA 16-06\) – GROUP LIVING FACILITIES](#)

The Planning Commission will conduct a public hearing to consider recommending adoption of an Ordinance amending Chapter 17.08 (“Definitions”), Section 17.08.020 (“Words, terms, phrases defined”), Chapter 17.60, Section 17.60.030 (“Conditional Use Permits–When Required”), and a new Chapter 17.94 (“Group Living Facilities Subject to a Conditional Use Permit”). Following a Planning Commission recommendation for approval, the proposed text amendment will be forwarded to the City Council for consideration.

The amendments would afford the City the ability to better regulate licensed and unlicensed group living facilities serving more than six (6) residents by imposing operational and distance requirements through a conditional use permit to preserve the residential character of neighborhoods and to provide some protection to a vulnerable population in the absence of State or Federal licensing or other regulatory oversight.

VI. DISCUSSION

None.

VII. ORAL COMMUNICATION

1. Audience

This is an additional opportunity for any person to address the Planning Commission on an item that is not on the Agenda. When addressing the Planning Commission, please begin by providing your name and address for the record. Please keep comments to no more than four (4) minutes to assure an orderly and timely meeting.

2. Planning Commission

3. Planning and Community Preservation Staff

VIII. ADJOURNMENT

INFORMATION TO THE PUBLIC

The Planning Commission will consider the last item at 10:30 p.m. and they will adjourn the meeting by 11:00 p.m. The Planning Commission will continue all unfinished business to an adjourned meeting on the following Thursday at 7:00 p.m. or to a different time and date certain.

Copies of the Agenda are available for your convenience at the rear of the Council Chambers. State legislation (Govt. Code Section 54954.2) limits the Planning Commission's ability to take action on specific requests. Govt. Code Section 54954.2 limits the placement of items on the Agenda for action 72 hours prior to meetings, except for specific findings.

No action or discussion may be undertaken by the Planning Commission on any item if not posted on the agenda, except that Commissioners or staff may briefly respond to statements made or questions posed by the public, a Council member or its staff may ask a question for clarification, make a brief announcement, or make a brief report on his or her own activities. A Commissioner or the Planning Commission itself may provide a reference to staff to report back to the Planning Commission at a subsequent meeting concerning any matter or may direct staff to place a matter of business on a future agenda.

REQUIRED FINDINGS

Conditional Use Permit and Variance considerations are "quasi-judicial" decisions made by the Planning Commission. As such, these decisions may be challenged in court. Accordingly, courts require an adequate "record" to exercise judicial review. This means that the documentation supporting the approval or denial of a project must include an explanation of how the Planning Commission processed the raw information and evidence considered in reaching its decision. The California Supreme Court has laid down distinct, definitive principles of law detailing the need for findings when a public agency approves or denies a project while acting in a "quasi-judicial" roll. This decision is based upon the case, *Topanga Assoc. For a Scenic Community v. County of Los Angeles* ("Topanga"). The "Topanga" court outlined the following 5 purposes for making findings:

- Provide a framework for making principled decisions, enhancing the integrity of the administrative process;
- Facilitate orderly analysis and reduce the likelihood the agency will randomly leap from evidence to conclusions;
- Serve a public relations function by helping to persuade the parties that the administrative decision making is careful, reasoned, and equitable;
- Enable the parties to determine whether and on what basis they should seek judicial review and remedies; and,
- Apprise the reviewing court of the basis for the agency's decision.

For more information on the necessary "Findings" that the Planning Commission must make, please contact the Development Services Department at (626) 355-7138.
