COMMISSION/COMMITTEE

COMMISSION/BOARD/COMMITTEE FOR WHICH YOU ARE APPLYING
Community Services Commission

Why are you interested in serving as a member of this commission / board / committee?

As a seasoned producer of many art, sport, and community events throughout Los Angeles, I truly believe in the positive impact and the great opportunity these events and services provide for the residents of the city. While living in Sierra Madre for only a short time, my family and I chose to live here due to the strength of the community. This inspires me to contribute to these traditions and connect more closely to the group that makes it happen.

What specific attitudes, skills, and expertise do you think you have to enhance the work of the commission / board / committee?

As mentioned above, I have worked in event production, specifically on community events, for the last seven years. This expertise can only strengthen the commission in a number of ways including, but not limited to, programming, organization and logistics, outreach, and fundraising. My experience has taught me how to accurately assess a community's needs and generate ideas to help support those needs through events and services.
