PERSONAL INFORMATION

NAME Meredith Keith	DATE 04/10/2014
CITY OF RESIDENCE Sierra Madre	YEARS AS RESIDENT 2.5

COMMISSION/COMMITTEE

COMMISSION/BOARD/COMMITTEE FOR WHICH YOU ARE APPLYING

Community Services Commission

Why are you interested in serving as a member of this commission / board / committee?

As a fourth generation Sierra Madrean. I am passionate about my community and it is my personal belief that, we are, what we give back and pay forward. These are the characters I believe build a strong community like Sierra Madre. I understand the City's goals and mission to provide both sustainable and fiscally responsible programs and services to the community. I am knowledgeable about the ongoing budget issues and community needs. I have volunteered with several community events and organizations over the past six years, including the Fourth of July Committee, Sierra Madre Community Foundation, Bailey Canyon Clean-up, planting days at Goldberg Park and the Wistaria Festival. Over the course of my youth I was active with the Sierra Madre Pool & Recreation Center, Youth Activity Center as well as youth programs like Huck Finn Day and I have run the Mt. Wilson Trail Race twice.

What specific attitudes, skills, and expertise do you think you have to enhance the work of the commission / board / committee?

I have excellent leadership, communication and analytical skills.
 I have experience researching and determining the needs and issues of the community, then finding sound and reasonable solutions to these problems.
 I have experience with government contracts as well as labor and union rules.
 I have more than 15 years experience as community Volunteer, and want to continue to serve my community.
 I am extremely computer savvy, and in addition to being proficient with the entire Microsoft Office Suite, I am highly capable in Photoshop and Illustrator.
 With a grandmother and niece and nephews in the community, I am familiar with both senior and youth programs.
 I believe in a healthy active lifestyle as well as preservation of our natural resources.
