## COMMISSION/COMMITTEE

COMMISSION/BOARD/COMMITTEE FOR WHICH YOU ARE APPLYING

Youth Commissioner of Community Services Commission

Why are you interested in serving as a member of this commission / board / committee?

As a lifelong resident of this city, I would like to give back to the community and represent my friends and fellow youth on this committee. I am very interested to learn how local government works, and I want to help people my age and lower to be aware of and to benefit from this city's facilities and programs. I want to be a voice in this community, and with this experience I can go into college with new ideas of how to improve my community.

What specific attitudes, skills, and expertise do you think you have to enhance the work of the commission / board / committee?

Growing up in this city, I have benefitted from many of the programs and facilities offered by the city (Little League, parks, etc.). Being a Student Ambassador at La Salle, I have an understanding of what the youth wants. I am great at communicating, and ~~it~~ will offer my insight to the committee. I am also effective in constructive criticism, and not destroying potential ideas.
