

Movie Reviews by Sophia Duran & Stephanie Vitale

RANGO

Starring Johnny Depp, Isla Fisher, Ned Beatty, Alfred Molina & Bill Nighy Directed by Gore Verbinski

Stephanie: Amusing parody of westerns & everything from Greek Lit to Star

Wars. The homage to Eastwood @ the end is choice.

Sophia: John Logan's screenplay is a mish mash of **unoriginal material.**

I expected so much more. \otimes

Stephanie: Tho marketed to kids (why??), it's chock-full of cultural

references, thematic subtexts & humor aimed @ adults.

Sophia: Although animated, this movie is not for the very young.

Stephanie: Wonderfully voiced. The chameleon-like Depp was perfect. Isla

Fisher was a hoot. Cast & crew obviously had fun making this.

Sophia: Thank goodness for the *fast-forward* button on my DVD's

remote control!

Stephanie: Spend your next movie night with a bowl of popcorn & this cast

of quirky characters. Don't overlook the Special Features.

Sophia: I think I was supposed to learn some sort of life's lesson from

this movie...oh yeah, skip Rango 2.
