**Headline**

*Sierra Madre, CA, December 27, 2011-*

**FREE E-BOOKS @ THE LIBRARY—"E-READ WITH *OVERDRIVE!*"**

Why pay more—or anything at all—for e-books when you can download and read hundreds of new and noteworthy books on your PC, Mac, laptop, tablet, smartphone, e-reader, or other electronic device using *OverDrive*, Sierra Madre Library's free e-book lending library. If you are among the thousands of people who received a Nook, Kindle, or other e-reader for the holidays, and would like to start taking advantage of *OverDrive*, the Library staff will help you create an account and show you how to request and download books onto your personal e-device. All you need to start checking out books on *OverDrive* is an active Sierra Madre Library card. Don't have a card yet? Signing up is easy—just bring a photo ID with your current address to the Library Service Desk, and the staff will be happy to issue you a card. If you've recently moved, and your ID has not yet been updated, a utility bill can be used as proof of address. Don't delay—"get in gear" and "E-read with *OverDrive*" today!

For more information, please call (626) 355-7186 or drop by the Library, which is located at 440 W. Sierra Madre Blvd., in Sierra Madre. [www.sierramadrelibrary.lib.ca.us](http://www.sierramadrelibrary.lib.ca.us)
