

## Movie Reviews by Sophia Duran & Stephanie Vitale

## Tower Heist

Starring Ben Stiller, Eddie Murphy, Matthew Broderick & Alan Alda

**Stephanie:** Ben Stiller is fun to watch as the well-meaning but hapless lead in this

unexpectedly entertaining Robin Hood Meets Oceans 11 caper.

**Sophia:** Ben Stiller doing comedy as the cool guy this time...how refreshing!

**Stephanie:** Veteran Alan Alda threw himself into the role of a Machiavellian swindler

with wonderfully understated panache.

**Sophia:** Eddie Murphy's performance had me reminiscing about his heyday at SNL.

Hilarious!! :-D

**Stephanie:** Eddy Murphy's hysterical edgy, over-the-top turn as a petty thief turned

good-guy (sort of!) gave the film its comedic jump start & kept it from idling.

**Sophia:** This movie is filled with sidesplitting hijinks and other shenanigans that

are pure gold entertainment.

**Stephanie:** Viewers will resonate with the film's timeliness and cheer the defrauded

underdogs as they take on an arrogant, devious snake-in-the-grass.

**Sophia:** Finally a comedy with some unpredictable twists and turns. (Mega dittos! SV)
