NOW, THEREFORE, for and in consideration of the mutual covenants and conditions contained herein and in the City Film Permit, City and Applicant agree as follows:

3. Qualification as Indemnification Agreement

Accordingly, the provisions of this indemnity provision are intended by the parties to be interpreted and construed to provide the City with the fullest protection possible under the law. Applicant acknowledges that City would not enter into this Agreement or issue a City Film Permit in the absence of Applicant’s commitment to indemnify and protect City as set forth herein.

To the fullest extent permitted by law, Applicant shall indemnify, hold harmless and defend City, its officers, agents, employees and volunteers from and against any and all claims, losses, costs or expenses, including but not limited to damage due to death or injury to any person and injury to any property, resulting from or arising out of, or in any way relating to, filming activities within the City by Applicant or Applicant’s agents, the processing or issuance of a City Film Permit, or any related legal requirements, such as environmental documentation. Each right, power and remedy provided for herein or now or hereafter existing at law, in equity, by statute, or otherwise, shall be cumulative and shall be in addition to every other right, power, or remedy provided for herein or now or hereafter existing at law, in equity, by statute, or otherwise. The exercise, the commencement of the exercise, or the forbearance of the exercise by any party of any one or more of such rights, powers or remedies shall not preclude the simultaneous or later exercise by such party of any of all of such other rights, powers or remedies.
